(The opportunity to address the committee is not a question-and-answer session. It is an opportunity for statements to be made. The Chair may direct a member or the Superintendent to respond to a question or issue. Speakers will be allowed three (3) minutes to present their material. Improper conduct and remarks will not be allowed. Defamatory or abusive communications (verbal or written) are always out of order. If a speaker persists in improper conduct or remarks, the chairman shall terminate that individual's privilege of address. Speakers may offer such objective criticisms of the school operations and programs as concern them, but in public session the committee will not hear personal complaints of school personnel or complaints against any member of the school community. Under most circumstances, administrative channels are the proper means for disposition of legitimate complaints involving staff members.)
