Sharps Disposal Program

The Town of East Longmeadow has granted the Health Department community funds to establish a sharps program.

Residents can purchase the containers at the Health Department. You can also return the containers to the Health Department. Please note, an appointment is required for container returns.

Seniors, age 62 and over, as well as Veterans, are eligible for a discount. The price for seniors and Veterans will be \$8.00 for a gallon size container. All others will be charged \$16.00. Please understand, this cost may fluctuate based on our cost.

As a condition of participation, each purchaser must sign a consent form.

Thank you,

Aimee Petrosky, CP-FS
Health Director
