

**TOWN OF EAST LONGMEADOW
HEALTH DEPARTMENT
60 CENTER SQUARE
EAST LONGMEADOW, MA 01028**

April 3, 2020

Due to the Governor's orders to stay home as much as possible to slow the spread of Covid-19, we understand each household may produce more trash than normal. To assist our residents in addressing this issue, beginning Wednesday April 8, 2020, East Longmeadow residents can bring their excess household trash to the Transfer Station located at 170 Somers Road.

WHERE: Transfer Station located at 170 Somers Road, East Longmeadow

WHEN: Wednesdays & Saturdays, 9:00am - 5:00pm starting April 8, 2020

COST: At present, this is a FREE service for residents, no Transfer Station sticker required. This arrangement may be adjusted at any time.

WHAT IS ACCEPTED: This dumpster is for excess household trash only, and it must be in a plastic bag to be accepted. Please continue to practice good recycling habits and only bring household trash. If a town load is rejected at the dumping facility due to contamination by recycling or other items, services will be discontinued.

QUESTIONS: Contact Elizabeth Bone at Elizabeth.bone@eastlongmeadowma.gov or 413-525-5400 x 1108 for any trash and recycling related questions.

****Please follow social distancing protocols and stay more than 6 feet away from other people!****
